

people in purchasing

Paris - London - Munich - Warsaw

Teambuilding Market Developer

Ref. FR08-BF-TBMD

The Company

Big Fish was set up in 2002 by a team of General and Purchasing Managers from European corporations. Within the last four years we managed to establish ourselves as a leading international executive search firm focused exclusively on Purchasing. We believe that our approach makes us unique in several ways. We are: • Specialists dedicated to Purchasing • European (France, Germany, Poland) with a worldwide service approach • Proactive and results-oriented • People-oriented

Mission

A new position to be based in the Paris office to support all Big Fish offices:

- Manage the catalog of trainings
- Develop new programs with customers seeking to develop the efficiency of their teams in an innovative way.
- Coordinate the development of customized solutions
- Prepare offers

Profile

- A first experience in B to B service commercialization
- High energy and entrepreneurship
- Ease of communication in French and English
- Good knowledge of MS Office (Word, Excel, PowerPoint); some experience in web design a plus
- Skilled in verbal (telephone and in person) sales and communication
- Desire to work in an international start-up environment
- Structured, well organized team player

Conditions

Base salary plus result based bonus; Paris, quartier de l'Etoile.
